Material Safety Data Sheet

Date of Issue : May 1. 2010.

1. Product Identification.

- Name: Power Dry Sheet
- Use: Moisture absorbent.
- CAS No.: 9004-34-6 10043-52-4

2. Composition

Cellulose -----9004-34-6
Calcium chloride ----- 10043-52-4

3. Hazards Identification.

- Nothing to do specially. No hazard.

4. First Aid Measures.

- Inhalation: Drink cold water enough.(LD₅₀: 5,000mg/kg)
- Skin Contact: Wash skin with soap and cold water one time
- Eye Contact: Immediately wash eyes with cold water a few times and get medical attention immediately.

5. Fire Fighting Measures.

- This product is combustible.

6. Accidental Release Measures.

- This material is environmental friendly because of natural mineral. It is no problem to throw away to the soil because this material is used for soil conditioner.
